Tax regulations

VAT	
(A) – (E)	incl. 10%
(F)	excl. 10%
Cancellation and reminder costs, cost reimbursements, deposits	Tax-free (not subject to tax)

In the case of services provided electronically to non-entrepreneurs, the EU applies the VAT principle of the place of receipt, i.e. the VAT of the country of residence of the recipient will be charged.

Intra-Community mail order transactions (deliveries of goods from an EU trader to a non-trader within the EU) are in principle subject to tax in the Member State where the transport ends (country of destination). The VAT payable in the EU country in question is invoiced and paid by the ÖNB.

In the case of the cross-border provision of services, if certain conditions are satisfied, such as entrepreneur status for VAT purposes or for a specific service to customers from non-EU countries, charging can be made without Austrian VAT (net invoicing). If there are doubts as to whether the conditions for VAT-free invoicing are satisfied, the ANL reserves the right to invoice with Austrian VAT.

Cancellation rules

If agreed (non-public) tours are not cancelled at the latest 3 working days before the tour, cancellation charges will apply. Please note the applicable list of charges.

Note: Public guided tours are not included in the cancellation conditions. These tickets (tour fee including admission) are not exchanged or refunded.
